## CELEBRATING WOMEN'S RESILIENCE

### With an Afghan Experience

Wellsprings for Women is celebrating International Women's Day on 7 March 2018 from 12.30 till 3pm with an immersive experience into the Afghan culture

*"The event involves women of many different cultural backgrounds who worked together on creating an Afghan experience through cooking Afghani food, researching Afghan culture and customs, preparing a presentation to be delivered on the day and wearing traditional Afghan clothes to showcase on the day" said Dalal Smiley, Wellsprings for Women CEO*

The event aims at generating intercultural understanding and connections between women by sharing what they enjoy most about their cultural heritage and traditions.

*"We will also be hosting Trish Keilty from Avocare, 2017 Citizen of the Year for the City of Greater Dandenong. Trish is also a migrant from Ireland who will be sharing her story of migration on the day"*

*"We are grateful for funding from the Victorian Multicultural Commission and the Scanlon Foundation which enabled us to organize the event and make it a real celebration of women's tenacity, resilience and sense of solidarity"*
